A woman with a long braid, wearing a black sleeveless dress with lace and buttons, stands in a hallway with intricate geometric tilework. She is looking to her left, with her right hand resting on the wall. The hallway features walls covered in colorful mosaic tiles in diamond and star patterns. The floor is made of light-colored stone tiles. The lighting is warm, highlighting the textures of the dress and the wall.

SUSTAINABLE CAPSULE

This capsule is made with **LYOCELL** fabric.

Derived from eucalyptus wood, this **organic fabric** is highly breathable, lightweight, and comfortable against the skin making it an ideal fabric for summer.

How is it sustainable? Eucalyptus trees grow quickly, without irrigation and virtually no pesticides, on land no longer fit for food.

Questa capsule di abiti e completi è realizzata con tessuto **LYOCELL**.

Derivato dal legno di eucalipto, questo **tessuto organico** è altamente traspirante, leggero e confortevole sulla pelle, rendendolo un tessuto ideale per l'estate. Perché è sostenibile? Gli alberi di eucalipto crescono velocemente, senza irrigazione e praticamente senza pesticidi, su terreni non più adatti all'agricoltura.

A woman with long, wavy blonde hair is the central figure, wearing a long, flowing kaftan-style dress. The dress features a leopard print pattern on the bodice and a complex, multi-colored pattern on the lower half and sleeves. The neckline is intricately detailed with blue and gold embroidery. She is also wearing black strappy high-heeled sandals. The setting is an outdoor courtyard with a green and white tiled floor, arched doorways with light-colored curtains, and a warm, golden light. The overall aesthetic is bohemian and chic.
